Statement from the director
of the institute on the revised
final report of the Commission No. 13

Prague 25 February 2016

Dear Commission No. 13,

We thank you for your revisions and explanations of our queries. We particularly thank for assessment of the high quality of our work and valuable recommendations for the future development of our institute.

As for your revised report is concern we do not have any other questions or comments.

With all best regards,

Zdeněk Uhřek
director
